Timekeeping Roster

As part of the Masters Swimming culture, all competitors are expected to do their share of timekeeping. If you want to be timed, you should return the favour by timing for others. Often this is forgotten, leaving others to do more than their fair share, and delaying the meet while timekeepers are sought.

All participating clubs are requested to draw up an individual timekeeping roster of their members.

3 Individual events per swimmer

Due to a feature/limitation of Swim Central, some swimmers may have entered 4 events by mistake. Most swimmers – who had 4 entries, will have had their last event removed to comply with the **3 individual events limit** for this meet.

NT time replacement

Some entries that came through from Swim Central with NT (no time), have been converted to an average time for that stroke/distance/age group etc. This should help the flow of the meet, reducing the heats of NT, where finishing times could be quite different.

Relay Entry App

Relay entries can now be made via an app. Scan the QR code below for access. Relay captains from the previous app have been carried over to this new app.

App entry closing time - 1.00pm
