CONGRATULATIONS KERRYIN

Congratulations to our MSNSW President Kerryin Blanch on receiving her Distinguished Long Service Award at the 2026 NSW Community Sports Awards.

For more than 25 years, Kerryin has made an incredible contribution to Masters Swimming as a technical official, coach, club leader and administrator.

From coaching at Wests Auburn Masters and leading her club, to serving as President of Masters Swimming NSW since 2018, Kerryin has also mentored countless officials, coaches and swimmers, helping strengthen our sport across NSW and Australia.

Thank you, Kerryin, for your dedication, leadership and outstanding contribution to our Masters Swimming community.

EVENT RESULTS

The MSNSW Live Results App is no longer operational

Meet Mobile

This app is available for purchase via the app & google play store
Please note this app does require an annual subscription

Free Results Website

This can be saved to your phone's home screen, in the same way our previous app was used.

Relay App

For Club Captains
There is a new app to enter relays at our IPS, State & Relay Meets

All MSNSW Results will be made available in the week following the event on the MSNSW website, MSA portal & Swim Central

WHITSUNDAYS SAFARI

A mini getaway for some of our club members around NSW and a great way to meet new people!

Swimmers from Gosford, Mngara Pelicans, Wests Auburn and Port Macquarie enjoying the view of the beach they just swam - (roughly 3.5km) on day one of the Whitsundays Swim Safari.

WELCOME HARLEE ELITE MASTERS

The Warringah meet saw MSNSW club Harlee Elite Masters making their official carnival debut. It's always exciting to see our Masters Swimming NSW family grow, and we were delighted to welcome them to the pool deck for the first time.

Harlee Elite certainly made a memorable first impression, taking home the Average Points Trophy, while Kelly claimed the Women's Shootout title for the fourth consecutive year. They also had 100% of their members timekeep during the meet! Congratulations on an outstanding first carnival!

We look forward to watching Harlee Elite continue to grow and wish them every success in the years ahead.

NEXT MAJOR SWIM MEET

Next state event is the Relay Meet, Sunday 9 August: SOPAC.

So start gathering all your teams together. Especially make sure that for any new swimmers you may have in your teams that you go over what the day is like and what to expect. The organised chaos can be daunting to some. Also, make sure everyone understands the obvious rules like correct changeovers, swimming order, how to get out of the pool without interference during the race and last swimmer remaining in the water. Everyone knowing the basics will make it more enjoyable and the day run smoother.

REACCREDITATION & FURTHER EDUCATION

Don't let your coach qualification lapse. Go online to
<https://msa.ditaplayer.com.au/catalog/club-coach-re-accréditation>

Coaches, encourage some of your swimmers to undertake "Program Leader' courses. They can then assist you in that capacity and they might then like to go on and do the full club coach course. They don't have to repeat the learning that already have done.

TECHNICAL OFFICIALS

Upcoming Courses

[BOOK NOW](#)

CS/CoC - Wednesday 9th September 7:30pm

CTK - Thursday 22nd October 7:30pm

IoT - Saturday 31st October 9:00am

Starter - Saturday 21st November 9:00am

Please book into courses at least 2 days ahead

WHY COMPLETING THE TOP HALF OF YOUR LOG SHEET MATTERS

Filling in the top half of your log sheet accurately and completely is more important than it may appear. This section provides essential information used to process and verify your qualifications efficiently.

When this information is incomplete or unclear:

- Processing of qualifications may be delayed
- Additional follow-up may be required
- Records may become inconsistent or inaccurate

By taking a few extra moments to ensure everything is filled out correctly, you help:

- Speed up qualification processing
- Maintain accurate official records
- Reduce administrative workload

In short, careful completion of your log sheet benefits not only yourself, but the entire officiating administration system.

2026 TO TRAINING CALENDAR

THE ROLE OF ROSTERS AT SWIM MEETS

Technical officials and trainee technical officials are assigned positions through structured rosters at swim meets. These rosters are designed with a clear purpose:

- Ensure the event runs smoothly, efficiently, and with minimal issues.
- Place experienced officials in key roles
- Provide trainee officials with opportunities to gain practical experience
- Ensure all areas of the meet are properly supervised

Importantly, trainees are positioned alongside experienced qualified technical officials, allowing them to learn while contributing effectively to the meet.

WORKING TOGETHER FOR SUCCESS

Successful swim meets rely on more than just individual performance—they depend on collective responsibility and professionalism. By completing log sheets accurately and respecting and following roster, you contribute to a well-organised, efficient, and supportive officiating environment.
