INCLUSION

The Masters Swimming Australia Member Protection Policy states:

6.5 Gender Identity

Gender identity means the gender-related identity, appearance or mannerisms or other gender-related characteristics of a person. This includes the way people express or present their gender and recognises that a person's gender identity may be an identity other than male or female. Some terms used to describe a person's gender identity include trans, transgender and gender diverse.

6.5.1 Gender identity discrimination and harassment

Federal, state and territory anti-discrimination laws provide protection from discrimination against people on the basis of their gender identity. (See definition in Dictionary of terms). MSA is committed to providing a safe, fair and inclusive sporting environment where all people can contribute and participate. We will not tolerate any unlawful discrimination or harassment of a person because of their gender identity.

All persons, regardless of gender identity, are entitled to be treated fairly and with dignity and respect at all times. We will not tolerate any unlawful discrimination or harassment of a person because of their gender identity. This includes discrimination or harassment of a person who is transgender or transsexual, who is assumed to be transgender or transsexual or has an association with someone who has or is assumed to be transgender or transsexual. (Refer to the attachments in Part D of this policy). We expect all people bound by this policy to act with sensitivity when a person is undergoing gender transition/affirmation. If any person believes that they are being, or have been, harassed or discriminated against by another person or organization bound by this policy because of their gender identity, they may make a complaint.

These championships will be governed by the rules of Masters Swimming Australia and Masters Swimming NSW at the closing date of entries (24 February 2023)

MSNSW **Sun-smart Sport & No Smoking policies**, and MSA **Warm-up Safety Policy** will apply at this meet.
Please observe all safety signs.

During the competitions warm-up and swim-down facilities will be available.
