Timekeeping Roster

As part of the “Masters Swimming” culture, all competitors are expected to do their share of timekeeping. If you want to be timed, you should return the favour by timing for others. Often this is forgotten, leaving others to do more than their fair share, and delaying the meet while timekeepers are sought.

A system allowing each available competitor (excluding technical officials) to nominate slabs of time, by event, for your timekeeping is being developed via an online form. A separate form is available for non-swimming volunteers, such as family members.

These forms, along with a real-time representation of submissions, are available on the meet programmes page of the website following the close of entries for the meet. Submissions will close on the evening before the meet to allow printing of a Timekeeping Roster for the use of competitors, clubs & officials.

For this meet, each competitor should allocate an average of **54 minutes** to timekeep for your fellow members.
