

Most swim meets are restricted to members of Masters Swimming Australia, but some may be open to **members of FINA affiliated masters swimming organisations** from overseas, and others may be open to **non-members** for promotional purposes.

If the meet host allows entry to non-members (check the meet flyer for details), follow the steps below.

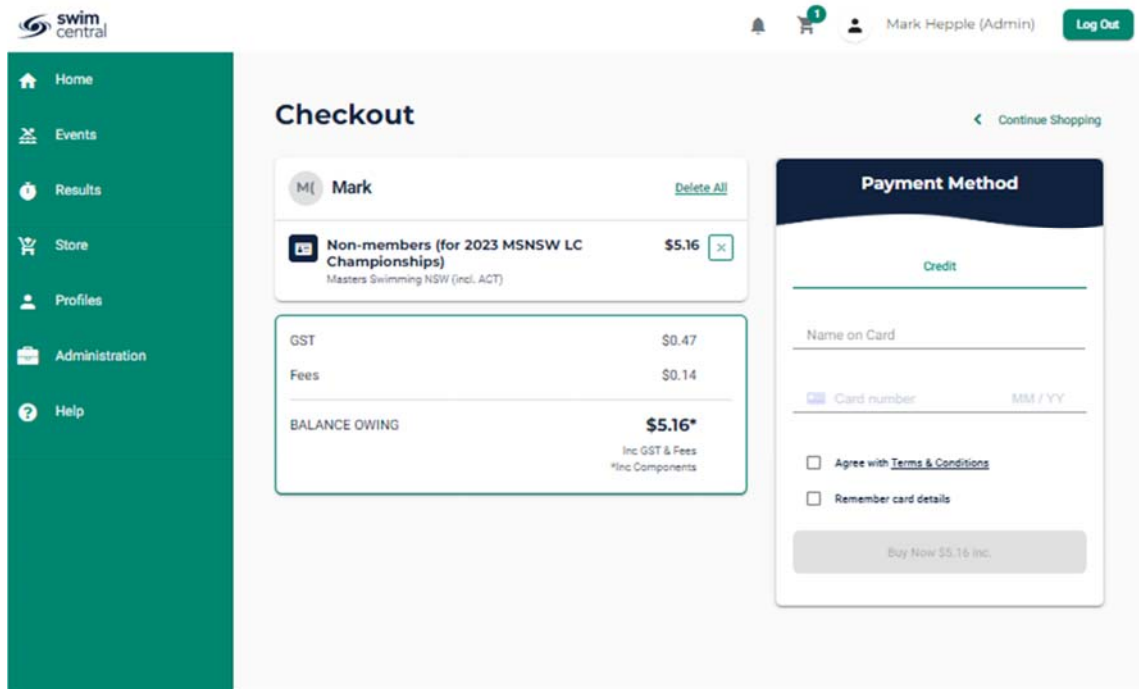

1. Create a profile in Swim Central

This is required once only, so you will be able to use this profile again for any future meet, or subsequent membership purchase – download instructions on this step [here](#)

2. Purchase a meet specific product in Swim Central

- Sign in to Swim Central and purchase a meet specific product in Swim Central for MSA insurance cover (\$5.16 at time of publication, but subject to change).
- Click on Store in the left-hand menu, then – search for Masters Swimming NSW in the “Find a Club” box, then your name in the “Who are you Purchasing for” box.
- Click on the green “Add to Cart” button for the appropriate non-member product, and proceed to the shopping cart for payment.

The screenshot shows the Swim Central website interface. On the left, a green sidebar menu contains options: Home, Events, Results, Store (highlighted with a red box), Profiles, Administration, and Help. The main content area is titled 'Memberships' and includes a search bar with two filters: '1. Find a Club' (set to 'Masters Swimming NSW (incl. ACT)') and '2. Who are you purchasing for?' (set to 'Mark Hepple (Admin)'). Below the search filters, it indicates '1 Memberships found'. The product listing is for 'Non-members (for 2023 MSNSW LC Championships)' with a price of '\$5.16 Inc fees & GST'. A warning banner states 'Membership - Club / Region required'. The product description explains that it is for members of FINA affiliated overseas masters swimming members, as a prerequisite for entering the 2023 MSNSW LC Championships. It also notes that the \$5.15 fee goes to Masters Swimming Australia for insurance. A 'Please Note' section states that the product does not provide membership of MSA or any Club and is valid for entry to a single meet only. The product details table shows: Start Date: 1.1.2023, Expiry Date: 2.4.2023, Age group: 18 to 150, Payment Type: Upfront Payment, Product Type: Membership - Second Claim. An 'Add to Cart for Mark' button is located at the bottom of the product listing.

Note that as part of this purchase, you may also be required to upload:

- if applicable, proof of membership with a FINA affiliated masters swimming organisation from overseas, and/or
- proof of age

These documents need to be reviewed and approved by MSNSW admin personnel before you can proceed to the next stage of entering the meet – this may take a number of days, so don't leave things till the last minute, and please be patient.

Once your submitted documents have been approved, enter the swim meet through Swim Central.
