NSW Champions of Sports Award

Tony Goodwin has been named the 2023 Masters Athlete of the Year Award at the recent Champions of Sport awards night.

This is a huge achievement for Tony.

Tony Goodwin is still in his element, competing whenever he can and breaking records when he can. In the past year he has swum at local, State, National and World swimming carnivals in the 80-85 year age group. Despite his chosen form stroke being Breaststroke he also swims a mean 50 Fly and 200 Individual Medley. In the past year Tony has competed at two International meets

During the last year Tony has broken 7 World Records, 9 Australian Records and 8 State records. Tony is a great mentor to those who are learning the ropes of competitive swimming. He is always there to lend a hand, and is willing to show new swimmers the finer art of the technical side of swimming. Tony can be seen around pool deck, at local carnivals supporting clubs, officials and other swimmers

The 50th Big Swim

Palm Beach to Whale Beach - Sunday the 28th of January, 2024

It is generally agreed that the popularity of ocean swim events started on the Pittwater Peninsular and it was not just a swim along a beach, but close to a 3 km swim from one beach to another, a journey swim.

Back in 1973, a Police Sergeant, Bob Lynch, who was then Captain of Whale Beach SLSC, came up the idea of the challenge of a swim from Palm Beach to Whale Beach. It had not been done before to anyone's knowledge. The idea stirred the good swimmers in the Club and a number of beach regulars. A somewhat nervous group of 48 lined up for the inaugural start at Palm Beach hoping there were no sharks out there ! 42 minutes and 20 seconds later the first elated swimmer, Paul Hughes, came over the finish line at Whale Beach. Fastest time of recent years is close to just 30 minutes.

The news got around that this open water swim had been done. and the numbers rapidly grew with many keen swimmers wanting to swim it. Organised by Whale Beach SLSC, an entry fee was introduced to cover costs. Initially the event was known as the

'Bob Lynch Memorial Marathon Swim" as sadly, Bob had died following an accident on his police motor cycle.

The challenge of a beach-to-beach marathon swim in deep water quickly had the number of swimmers growing to nearly 2000. The event was trademarked as 'THE BIG SWIM' and attracted swimmers from all over Australia and some from overseas.

Sunday the 28th of January, Australia Day weekend will see the 50th BIG SWIM underway. Seasons later, other Northern Beaches Life Saving Clubs followed Whale Beach and organised swims at their beaches – Mona Vale, then Avalon, Bilgola and Newport.

These are 'warm ups' from 800 metres swims to 2 km ,ready for the big one. People going in the ocean swims on the Northern Beaches, come from the Eastern Suburbs (35%) Northshore (22%) Northern Beaches 28%, the Inner and Western Sydney (15%) While attracting elite swimmers, most are recreational swimmers wanting to do a personal best in the journey swim challenge of The Big Swim

President's reports for 2023

With the end of the year fast approaching, now would be the time to start thinking about your President's report for 2023.

If they can be submitted in word format to the office by the 1st of February, 2024 that would be fantastic.

Awards for 2023

Time to start thinking about the Gary Stutsel award and the Administration award for 2023.

The Gary Stutsel award

The Gary Stutsel Award is presented to the person who has contributed the most to the advancement of Masters Swimming NSW. This may include any area of contribution to the NSW branch as a volunteer for the Board, a committee, recording, officiating etc. By nominating any person registered with Masters Swimming NSW for this award, you will recognise their invaluable contribution to the conduct of masters swimming in NSW and Australia.

Coaching Update

Coaching continues to be a vital part of Masters Swimming success and growth. This year it has been fabulous to see the enthusiasm and dedication by many coaches, with many new coaches qualifying or are in the process.

2023 Summary:

MSA Coach of the Year: A big congratulations to Kerry Ann Michels from Blacktown who was awarded NSW and National Coach of the Year 2022. Her effort and enthusiasm with Blacktown have been recognised and she is a very deserving recipient.

Professional Learning: Opportunities have been provided for coaches and swimmers to develop their understanding of strokes and swimming.

The online PD through MSA Coach Education have been very well supported and continue to grow in popularity.

Face-to-face workshops have occurred regularly throughout the year.

The year commenced with the National Coach Conference held in Perth in March. NSW was represented by Anne Smyth and Greg Gourley as presenters. In May, a Performance Weekend was held for swimmers and coaches and provided excellent information on training to race. NSW coaches (Anne Smyth, Greg Gourley, Caz Makin, and Leisa Cass) ran a stroke workshop at NSW Weekend Escape Batemans Bay in June.

Workshops were conducted in Sydney during the year: Castle Hill Starts/Turns workshop (Aaron Cleland), Freestyle Workshop (Anne Smyth Greg Gourley), Breaststroke Workshop (Greg Lewin Aaron Cleland). To finish the year Anne Smyth and Greg Gourley were invited to Hobart to run a weekend of stroke workshops for Masters Swimming Tasmania.

Nationally: Thank you to Di Coxon-Ellis for continuing as Chair for National Coach Committee. Anne is continuing as NSW representative.

MSNSW Coaching is available to run a workshop for your club. If you are interested, please contact me anneswims2@gmail.com MSNSW Admin. admin@mastersswimmingnsw.org.au

CLUB COACH COURSE and RENEWAL

FYI: *Do you know who the NSW Coach Educators are?*

Club Coach Course qualifications and renewals are looked after by Di Coxon-Ellis, John Kulhan and Anne Smyth.

If you have any coaching queries, please email: coach.education@mastersswimmingnsw.org.au

Reaccreditation

Go online to <https://msa.ditaplayer.com.au/catalog/club-coach-re-accrreditation>

Don't let your qualification lapse – it is easy to reaccredit.

Club Coach Course

The online Club Coach Course is an excellent accessible way for people keen to become a qualified Masters Coach. <https://mastersswimming.org.au/become-a-club-coach/>

Please encourage your club members to gain this accreditation if they are keen to coach. By Feb 2024, it will be a requirement for Masters Coaches to be qualified, as unqualified coaches will not be covered by MSA insurance.

Words of Wisdom from your Whistleblowers

If you believe -

Think again!

If you are one of those swimmers who gets slack in training & breaks the rules e.g.

- One handed touch in breaststroke/butterfly
- Push off for backstroke on your front
- Do several butterfly kicks when only one is allowed
- **What rule do you break?**

What you do in training you will eventually do in competition!

If you don't want to see a DQ card being written out for you then remember only -

Merry Christmas and a Happy New Year from all your Technical Officials and a

Pittwater Swim Series

Thousands of ocean swimmers are expected to descend on Pittwater for the annual Pittwater Ocean Swim Series starting in January 2024. The biggest group of ocean swims in Australia, the Series, conducted by surf clubs in the region, is popular with ocean swimmers of all level.

With a range of swims to choose from swimmers, of all levels are catered for. David Madew, coordinator of the Pittwater Series, says swimmers can test their ocean swimming skills at some of the most beautiful beaches in the world. All entrants will go automatically in the draw for an OceanFit Swim The Whitsundays tour for one, valued at \$2,295.

“Swimmers can test their swimming skills in an ocean environment with short courses such as 400m and 800m which are very popular for those less experienced in an ocean environment. The longer events such as the iconic “Around the Bends 2kms from Newport to Avalon” and up to 2.8kms in the Big Swim.

“The first swims in the series will be at Newport on Sunday 7 January 2024 followed by Bilgola on 14 January, Then it’s Mona Vale’s turn, on 21 January with their popular Warriewood to Mona Vale course. The Big Swim from Palm Beach to Whale Beach one of Australia’s original ocean swims is celebrating its 50th anniversary with its event on Sunday 28 January.

“Then on Sunday 17 March, Avalon will hold its “Around the Bends” ocean swim from Newport to Avalon to complete the Pittwater Series. Each of the ocean swims not only offers a challenge to those wanting to take on the ocean. Each swim is an important fund raiser, for the surf clubs involved, so that they can purchase and maintain essential lifesaving equipment. This in turn make sour beaches safer for the many swimmers who visit Pittwater each summer, “said David.

To be eligible to win, the Oceanfit Whitsunday holiday prize, swimmers must enter at least three of the swims in the series. "It is a dream prize for ocean swimmers. The winner is drawn from those who have entered three swims, so the winner can come from any swimmer," David added

The Pittwater Ocean Swim Series is generously sponsored by Northern Beaches Council, who obviously recognise the tourism value of the event with the knowledge that swimmers and their supporters flock to the local cafes, clubs and restaurants as well as the boutique shops after the swims.

There is a strong emphasis on safety for each of the swims as would be expected from the surf clubs. Swimmers are urged to train for their event and take notice of directions from lifesavers on the beach.

Entries for each of the ocean swims will be available on www.oceanswims.com You can also go to the website for full details on all swim courses available and entry fees.

The 2024 Series is expected to be a bumper event following the interruptions of Covid. It is a great event showcasing Pittwater and some of the 3 best surf beaches in the world.
