## Special Notes

---

### 1. **No marshalling**

- All our meets are heat seeded and we encourage all swimmers to consult the LiveResults app, or download their own program, so you will know your event, heat and lane
- We have a small marshalling board which announces the heat being called
- All swimmers must pay attention to the heat being called, noting that very often the microphone does not work well
- Follow the check starter to the blocks and you will be checked again
- It is your responsibility to be behind the blocks at the time of your race – events will not be reseeded because a swimmer is not behind the blocks
- The timekeeper will check your name before you swim

Our check starters are very patient and often go looking for swimmers (but don't always have the time), so if you are not going to swim your race or are leaving the pool early, please let them know.

### 2. **No printed programmes will be provided**

All competitors are advised to print a copy of this programme for themselves.

### 3. **Event results will not be posted at the meet**

View programme information and results in real time on your mobile phone, tablet or computer in the [MSNSW Live Results app](#).

Scan this QR code with your phone or tablet:

### 4. **Relay entries**

Relay team details must be submitted by 'authorised' club officials via the [MSNSW Live Results app](#), and event seedings will be available under the 'Programme' tab of the app approximately one hour before the scheduled start time of the first relay each day.

### 5. **Timekeeping Roster**

As part of the "Masters Swimming" culture, all competitors are expected to do their share of timekeeping. If you want to be timed, you should return the favour by timing for others.

Often this is forgotten, leaving others to do more than their fair share, and delaying the meet while timekeepers are sought.

- A system allowing each available competitor (excluding technical officials) to nominate slabs of time, by event, for your timekeeping is available via an [online form](#).
- If for any reason you cannot fulfil your timekeeping requirements, please advise via this [online form](#).
- A separate [online form](#) is available for non-swimming volunteers, such as supporters & family members.

These forms, along with a real-time representation of submissions, are available on the meet programmes page of the website following the close of entries for the meet. Submissions will close on the evening before the meet to allow printing of a Timekeeping Roster for the use of competitors, clubs & officials.

**For this meet, each competitor should allocate an average of 32 minutes to timekeep for your fellow members.**
