Timekeeping Roster

As part of the Masters Swimming culture, all competitors are expected to do their share of timekeeping. If you want to be timed, you should return the favour by timing for others. Often this is forgotten, leaving others to do more than their fair share, and delaying the meet while timekeepers are sought.

For this meet, each competitor should allocate an average of **22 minutes** to timekeep for your fellow members.

Thanks to all those members who have contributed to previous attempts to produce a centralised timekeeping roster. Regrettably, it has not been supported by the majority, so will be discontinued. All participating clubs are now requested to draw up an individual timekeeping roster of their members.

Entry Times

Entries for this meet included:

- 87 swimmers (**45%** of all entrants) with one or more swims with no time (NT) recorded in Swim Central for that event
- a total of 155 swims with NT (**20%** of all swims).

An online form was made available to all entrants to enable them to submit nominated times for any NT swims, and as part of a trial was extended to accept times to replace existing Swim Central times.

Thanks to all those who took advantage of this. As well as ensuring that they would be swimming with others of similar ability, it assists us with the management of the meet.

22 swimmers
submitted a total of
30 times to replace
"NT"s.

15 swimmers
submitted a total of
59 times to replace
existing Swim Central
times.
