Proudly hosted by

Masters Swimming NSW

12/10/24 to 13/10/24

Australian Institute of Sport

Note:

No Marshalling

- All our meets are heat seeded and we encourage all swimmers to consult the LiveResults app, or download this programme, so you know your event, heat and lane
- NO printed programmes will be provided at the meet - all competitors are advised to print a copy of this programme for themselves.
- We have a small marshalling board which announces the heat being called
- All swimmers must pay attention to the heat being called, noting that the microphone does not always work well
- Follow the check starter to the blocks and you will be checked again
- It is your responsibility to be behind the blocks at the time of your race – events will not be reseeded because a swimmer is not behind the blocks
- The timekeeper will check your name before you swim

Results

- Entry details and results will be available on the Live Results 'app'.
- NO printed results will be posted at the meet

Relay Entries

- Relay entries are to be submitted by a nominated club official through the Live Results app – entries close on the day, 1hr before the scheduled start time of relay events.

The MSNSW Live Results app has been updated!

The old app is now unavailable,
so please scan this QR code:

Or click through to the new app at:

You will be required to login again with your email address,

Timekeeping Roster

As part of the Masters Swimming culture, all competitors are expected to do their share of timekeeping. If you want to be timed, you should return the favour by timing for others. Often this is forgotten, leaving others to do more than their fair share, and delaying the meet while timekeepers are sought.

For this meet, each competitor should allocate an average of **39 minutes** to timekeep for your fellow members.

All participating clubs are requested to draw up an individual timekeeping roster of their members.
