Timekeeping Roster

As part of the Masters Swimming culture, all competitors are expected to do their share of timekeeping. If you want to be timed, you should return the favour by timing for others. Often this is forgotten, leaving others to do more than their fair share, and delaying the meet while timekeepers are sought.

For this meet, each competitor should allocate an average of **18 minutes** to timekeep for your fellow members.

All participating clubs are requested to draw up an individual timekeeping roster of their members.
